**New Entry procedure for Friday & Saturday Evenings
once the racer ticket booth has been closed.**

Racers will continue to enter Gate 1 (700 Raceway Blvd, Madison), turn right, and proceed north.

At the north drop overnight guard shack, racers will be divided. Racers and all individuals in the vehicle, who purchased pit pay will have their entries scanned and will be directed south towards the drag racing return road. Everyone else, will turn left and go to the racer chute area and stack over-night.

The main gate will be closed overnight, and the 24-hour gate will become north drop, using the drag strip return road as ingress/egress. The main gate will re-open once the rush has concluded.

Spectators who drive separately from a racer will be given the option to purchase a one-day entry. However, the spectator will be required to park in the one-day only parking lot, which will be located near the racer ticket booth area. No exceptions. If this becomes an issue, the one-day spectator entry will cease to be offered.

Spectators traveling in the same vehicle as a racer must purchase a weekend entry.
